Can you believe it? Indianapolis' Premier Security Conference is 9 years old! We wouldn't be at this point in our journey if it were not for our loyal attendees, devoted volunteers, and of course our generous sponsors.

This year, CircleCityCon 9.0 returns to the Westin in Downtown Indianapolis. We are returning in person after 2 wonderful virtual years. We hope you will join us at the conference and support our cause.

Sponsoring CircleCityCon helps to further the nonprofit mission of C3 Conferences INC in bringing great educational content to those already in and those wishing to enter the IT and Information Security industry as well as provide grants to those who normally cannot afford to fund their education in trainings, certifications, and courses.

Please see the following levels of sponsorship that are available. All levels include benefits of the former level. Upgraded benefits are detailed in the higher levels
